

Water and Sewer Utility Manager

Join our team as the Water Utility Manager for the City of Helena-West Helena, AR where you will play a crucial role in overseeing the management and maintenance of our city's water and sewer department. As a key member of the team, you will lead the department to ensure the sustainable use of water, safeguard water quality, and implement strategies to address water-related challenges while also managing the sewer utility as well. If you possess strong leadership skills and have a deep understanding of water and sewer management practices, we invite you to apply for this opportunity.

Compensation and Benefits: The City of Helena-West Helena offers a competitive salary commensurate with experience and qualifications. The starting salary for this position is \$90,500 DOE. The City provides a comprehensive benefits package, including health, dental, vision, and Arkansas Public Employees Retirement System (APERS) contribution, annual vacation based on continuous years of experience, sick leave, and paid holidays in accordance with the City of Helena-West Helena.

Contact and Submittal Information: To apply, please submit a cover letter and resume to the Mayor at mayorfranklin@helena-westhelena.us or call 870-817-7400. The City of Helena-West Helena is an Equal Opportunity/ADA/Drug-Free Workplace Employer. Join us in making a positive impact on our community!
